

Support the Put-in-Bay Community Swim & Sail Program

Each summer, more than 100 local and visiting youth build confidence, water safety skills, and a lifelong connection to Lake Erie through the Put-in-Bay Community Swim & Sail Program.

From swim lessons in the pool and Lake Erie to Learn-to-Sail classes, Adventure Sailing, and Race Team opportunities, our programs help kids grow in a safe, encouraging environment guided by experienced instructors.

Program Sponsors can be families, friends, businesses, or community supporters — anyone who believes in giving children meaningful experiences on the water. Sponsorships help keep program fees affordable while supporting the instructors, equipment, and safety resources that make the program possible.

Behind every class are trained staff, safety boats, and year-round planning that keep kids learning with confidence and ensure the program remains strong for future generations.

Your sponsorship directly impacts local youth and helps preserve an island tradition that connects families to the water.

Put-in-Bay Community Swim & Sail is a registered 501(c)(3) nonprofit. Donations are tax-deductible as allowed by law.

Thank you for helping us keep kids safe, confident, and connected to the water. — *The PIBCSS Board of Trustees & Directors*
